

CHAIRMAN'S MESSAGE

You are cordially invited to take part in IEEE Nanotechnology Materials and Devices Conference 2006 (IEEE NMDC 2006) to be held at Hyundai Hotel, Gyeongju, Korea on October 22-25, 2006.

IEEE NMDC 2006, hosted by IEEE Nanotechnology Council and National Center for Nanomaterials Technology aims to develop critical assessment of existing work and future directions in nanotechnology research including nanomaterials and fabrications, nanoelectronics, nanophotonics, devices, and integration. This conference will bring together key researchers from all over the world and from every sector of academy and industry in the nanotechnology research field, with a special focus on materials and devices. The conference will consist of 1 conference speech, 6 plenary talks, 50 invited talks, and 200 contributed presentations with a separate poster session.

All IEEE NMDC 2006 Committees are looking forward to see you in Korea at IEEE NMDC 2006, doing best for a productive and successful conference for you.
